Bridgestone Golf is proudly based in Covington, Georgia where we manufacture the best quality golf balls in the world! As a subsidiary of Bridgestone Tire and Rubber Corporation, we have access to unparalleled technical resources that allow our polymer scientists to deliver state of the art golf ball innovations and world class performance.

Cutting edge golf ball innovations are not all we do. Understanding that all golfers are not the same and have different needs to perform their best, Bridgestone revolutionized the golf industry by launching the industry's first comprehensive ball fitting program. With over 350,000 individual golfer fittings we are the #1 Ball-Fitter in Golf.

ACI Brands Inc. is the Canadian Distributor for Bridgestone Golf. Please contact your local sales representative for more information, or email us at golf@acibrands.com
