## Kenneth Cole Reaction

**Quilted Top Zip Work Tote with Double Front Pockets**  
KCR5455502

Your office commute won't be complete without the Kenneth Cole Reaction Quilted Top Zip Work Tote. This tote-style bag features a padded laptop pocket and tablet pocket, fitting most laptops up to 15" and compatible with most tablets. The polyester twill exterior with chevron-quilted detail is a lovely treat for the eyes, standing out from the typical work bag. Its tear-resistant, fully-lined interior makes this bag a sturdy, durable option that can handle constant use. Pack your everyday work essentials in the large single compartment, amply-sized to hold everything you need to help you take on your day. The zip-around front organization compartment, with an open slip pocket and zippered pockets, is perfect for storing your smaller, quick-grab belongings. Tailor your carrying comfort with the removable, adjustable, padded shoulder strap that extends to 52" long.

MSRP	<b>SPECIAL</b>
\$125.00	<b>\$60.50 (C)</b>

## Kenneth Cole Reaction

**Tech It Backpack**  
KCR571517502

From students to the nine-to-fiver, transport your workstation wherever you need to with the Kenneth Cole 1680D Polyester Multi-Pocket Triple Compartment 17.0" Computer Business Backpack. Laptops are fragile gadgets that should be secured, especially when you're on the move. This contemporary backpack has a main padded compartment that comfortably holds a 17" laptop. Its built-in technology features an RFID blocker inside the slid pockets to protect you from hackers and theft activity. Don't stress over aching muscles and cramped hands during long commutes, the padded top handle and shoulder straps provide extra comfort to and from the office. Use the pass-thru USB cord in the front compartment to charge your phones and other electronic accessories.

MSRP	<b>SPECIAL</b>
\$140.00	<b>\$88.00 (C)</b>

## Kenneth Cole Reaction

**2 Wheel Laptop Backpack**  
KCR5716477B02

From students to the nine-to-fiver, transport your workstation wherever you need to with the Kenneth Cole 900D Poly 2-Wheel Carry-On Upright with Laptop Pocket and RFID. Laptops are fragile gadgets that should be secured, especially when you're on the move. This durable, contemporary carry-on has a padded laptop pocket that fits most laptops with up to a 15.6-inch screen. Its built-in technology features an RFID blocker inside the slid pockets to protect you from hackers and theft activity. Use the front pocket to conveniently organize your business essentials. With a sturdy telescopic handle and wheels, this carry-on is the perfect addition to your on-the-go lifestyle.

MSRP	<b>SPECIAL</b>
\$175.00	<b>\$94.42 (C)</b>
